Rewards Day and Child Protection Day
TRANSITION TO KINDERGARTEN

Transition to Kindergarten starts on **Monday 12 October, 2015**. The children who will be attending Boggabilla Central School in 2016 will be participating in an intensive transition program each Monday, from **12 October to the 9 November 2015**.

The session will go for an hour each Monday morning. The children will be participating in numeracy and literacy sessions, along with the current kindergarten and year 1 class, experiencing some of the learning activities and learning centres that will be typical next year. Mrs Mac, the Kindergarten teacher will be leading these sessions and Aunty Noelene will be accompanying the pre-schoolers to support them during this time.

The children will also join in the first break with the rest of the primary classes. We will also be holding some parent transition sessions at the primary library on **Monday 26 October** and **Monday 9 November** from **9am - 10am**

WHAT’S HAPPENING THIS WEEK

This week we are following up on some of our learning topics from last week. We had a variety of project topics that inspired both individuals and groups of children including:

- Honey Bees
- Volcanoes
- Titanic
- Pythons
- Scarecrows and Zombies (yes, Zombies).

We delved further as a group into honeybees and Titanic and had lots of interest from the children as a result. We have brainstormed further research questions following our sharing session and will follow up this week. I too, from an educator’s prospective, found the topics quite interesting and have amused friends by sharing how much I learnt myself on our topics.
LAST WEEK
Last week for sport we began our focus on cricket. We did lots of skill building activities before having a go at French Cricket as a group.

At assembly last week we had the opportunity to read and share our journal writing books. The children were very confident presenting in front of primary. Our behaviour during the assembly also earned us the position of ‘Best Class’. Well done Preschool!

PARENT/FAMILY ASSISTANCE
I have been providing ice blocks to the children following sport each Thursday. We are going through a lot of ice blocks. I would really appreciate some help so we can keep this going. The children love it, especially now that it’s getting quite hot. So if families are able to donate a pack of fruit tube ice blocks it would be much appreciated.

Also, we are looking to develop a musical wall and a water run on our pallets (pictures below). In order to do this, we are looking for any pipes, tubing, funnels, old pots, pans, metal strainers and things like that. Any assistance would be greatly appreciated.

Miss Nicole
Preschool Teacher
Welcome back to a very busy Term 4. It has been great to see so many of the Primary and Preschool students starting the term full of enthusiasm. As I mentioned in my last newsletter article, Term 4 is going to be a very busy term. Students from K-6 have already started their swimming on Friday afternoons for sport. This will continue until Week 6 (Friday 13 November). Students need to remember to bring their swimmers and a towel to school each Friday.

This week, the Preschool students started their Transition program into Kindergarten for 2016. Those preschool students who are interested in enrolling in Kindergarten at Boggabilla Central School in 2016 will be going up with Aunty Noelene every Monday for five weeks to the K/1/2 classroom to participate in Literacy and Numeracy sessions and then will be having recess in the Primary playground. As part of the transition program, I will also be running some Parent Information Sessions in the school library from 9am - 10am as seen below. Parents of students enrolling in Boggabilla Central School in 2016 are welcome to attend.

### Parent Information Sessions

Year 6 students also started participation in their Transition to Year 7 Program this week with a *Getting to Know You* session on **Thursday 15 October** with Year 6 students from Toomelah Public School. These students will then participate in weekly lessons in the High School classrooms each Monday starting **19 October** to help them get used to moving between classrooms and teachers for each lesson.

I would like to remind everyone that, on **Thursday 22 October** we are having a special Grandparents’ Day Assembly at **10:15am** in the school library. Grandparents are invited to attend the assembly and then stay for recess with their grandchildren from **11am-11:30am**. We hope to see many grandparents there.

Ms Karen Baird  
Assistant Principal

News from the Remote School Attendance Strategy Team

Meet our new School Attendance Mentor (SAM) Jasmine Weldon

Hi all!

Most of you probably know me or know of me. I am from Toowoomba in Queensland. I am looking forward to working with the attendance crew, the students and families and most of all, Boggabilla Central School. Boggabilla is all very new to me, and so far the school and town have made me feel very welcome. Don’t be shamed to say ‘Hello’ if you see me around or introduce yourself. Cheers!

Our SAO team now only has four Officers who are Aunty Thora Wightman, Lachlan Dennison, Robert McIntosh and Isabel Talbot.

This week we broke the record for School Attendance with only 18 students being absent on Monday 12 October 2015.

Don’t forget we have ‘Big Breakfast’ every Wednesday in the Pink House from 8am. Bacon and eggs! It will be a good feed, so we hope to see you all there.

School is your future! Don’t miss out! Don’t miss a day! Education is the most powerful weapon which you can use to change the world.
Welcome back to term 4. This term is again going to be a very busy one in the 7/8 literacy class. Below is the outline of the topics that we are going to cover this term. We will also have a focus on reading comprehension in one of our groups this term. This is to enable students to practice key skills in reading for meaning and reading for a purpose. These skills are very important when completing assessment tasks and exams.

I have also started talking to students about where they sit on the literacy continuum. The literacy continuum, in a nutshell, is a list of skills that students should be able to demonstrate at particular stages of their schooling. Hopefully by the end of this week, I will have sat down with all year 7/8 students and discussed their current position on the continuum. Students will also be setting some goals that they will be working on during the term. Achieving these goals will enable them to move up the continuum. I encourage you to talk with your child/ren about their goals and how they are planning to meet them over the next term. We will review our goals in week 5 to see how we are travelling and then again in week 10 to see if they have been met.

Please feel free to contact me at the school if you want to know more about what is happening in literacy this term.

Kind Regards,

Miss Reid
ATTENDANCE REWARDS DAY

A great day was had by staff and students at the end of term reward day at the Goondiwindi Golf Course and Goondiwindi Pool. Students from years 5-12 who had 80% or more attendance were eligible to go. All students were well behaved and represented Boggabilla Central School with respect. This term we will be finishing off the year with a visit to the Moree Pool and Waterslide with all students who have an attendance rate above 80% and good behaviour.
Miss Diarna Kalmanidis
Head Teacher Welfare
Good for Kids good for life

Active as a Family

Busy lives and long work schedules can mean that many families spend time apart during the week and exercise on their own.

Here are some ways to connect as a family, revive energy levels and feel fit and healthy:

- A simple walk after dinner
- Join an all ages group like a fun run or cycling group
- Play touch football or cricket in the backyard on weekends
- Go for a hike or bike ride around local walking tracks
- Spend the day at the beach or your local swimming pool.

Sponsored by the Australian Government Department of Social Services
CHILD PROTECTION DAY

Last term, during Child Protection Week we raised awareness of child protection by having a poster and colouring competition as well as a barbeque. Congratulations to Debra, Fred, Kirsty and Jaminda on winning the competition. It is important to remember that everyone plays a part to promote the safety and wellbeing of children and young people. “Protecting children is everyone’s business”.

ATTENDANCE REPORT

A big welcome back to Term 4! I hope everyone had a safe and enjoyable break over the holidays. Attendance will continue to be a main priority at Boggabilla Central School this term. We have made some improvements with our overall attendance last term which is fantastic to see. However towards the end of term 3 and the beginning of this term attendance has dropped off.

It is a legal requirement that students under the age of 17 attend school every day. On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- Being sick, or having an infectious disease
- Having an unavoidable medical appointment
- Being required to attend a recognised religious holiday
- Exceptional or urgent family circumstances e.g. attending a funeral

It is the responsibility of the parent or carer to inform the school within 7 days of this absence. If a student is absent for more than two days from a sickness, a medical certificate is required and given to the school.

If a student's attendance is lower than 80% they will be referred to the school attendance team, who, working with the family, intend to restore attendance. If attendance does not improve when working with the school, students will be referred to the Home School Liaison Officer. The Home School Liaison Officer works with schools, students and their families to resolve attendance issues.

Our whole school attendance target continues to be 85%. In term 3, we reached 75% which was amazing. If we all continue to work together, students at Boggabilla Central School will be able to get the best education they can, to ensure they get the best start to their lives.

Remember - missing school is missing out.

Week 1 Statistics

| Primary:  | K/1/2: 72% |
|          | 2/3/4: 42% |
|          | 4/5/6: 56% |

| Secondary: | 7/8: 48% |
|           | 9: 31%   |
|           | 10: 37%  |
|           | 11/12: 46% |

Join the Green Army

Opportunities for School Leavers and Gap Year Students

Manpower are recruiting participants for Green Army projects in your area.

Green Army is a hands-on, practical environmental action programme that supports local environment and heritage conservation projects across Australia. Green Army is open to all Australian citizens and permanent residents aged between 17-24 years.

Joining a Green Army team will provide you with skills, training and experience to improve your employment prospects while you work on projects that generate real and lasting benefits for the environment and Australian Heritage sites.

- Work for up to 30 hours a week for 20-26 weeks
- Receive training in First Aid and Work Health and Safety, as well as support to obtain Certificate II qualifications or a nationally endorsed skills set
- Undertake a range of activities from planting native seedlings, constructing boardwalks, protecting native wildlife, foreshore and beach restoration, to regeneration of local parks
- Transport, clothing, boots and safety gear provided

Start your application online

**Learn the skills to save a life.**

ASIST is a two day workshop that teaches how to intervene and save a life from suicide. Over a million people around the world have participated in this award-winning program.

Most people thinking about suicide don’t actually want to die, but they need help deciding to stay alive. You don’t need any prior training to attend ASIST - just a willingness to make a difference.

$350!

with thanks to our sponsors

**Suicide Intervention Skills Training**

**27th and 28th October 2015**

Gateway To Training 15-21 Russell Street
GOONDIWINDI QLD 4390

Who should attend an ASIST workshop?

ASIST is for everyone. Virtually anyone aged 16 and older can learn the skills to intervene and save a life from suicide. ASIST is a resource for the whole community. It helps people apply suicide first-aid in many settings: with family, friends, co-workers, and teammates, as well as formal caregiving roles.

Goals and objectives:

In the course of the two-day workshop, ASIST participants learn to:

- Understand the ways personal and societal attitudes affect views on suicide and interventions
- Provide guidance and suicide first-aid to a person at risk in ways that meet their individual safety needs
- Identify the key elements of an effective suicide safety plan and the actions required to implement it
- Appreciate the value of improving and integrating suicide prevention resources in the community at large
- Recognise other important aspects of suicide prevention including life-promotion and self-care

Dear Parents and Caregivers

As part of the PDHPE curriculum, secondary students will be participating in aquatic lessons at Goondiwindi Swimming Pool. Students will be supervised by Diarna Kalmanidis and a School Learning and Support Officer, for all lessons. Participation in these lessons is mandatory and not an option for students. If students fail to participate they may become at risk of not completing the course requirements and receive N-warning Letters or letter of Concern.

**Year 7 and 8** students will be participating in a water safety unit on **Mondays from 2.00pm – 3.05pm** beginning on the **12 October 2015**.

**Year 9 and 10** students will be participating in an aquatic games unit of **Tuesdays from 2.00pm-3.05pm** beginning on the **13 October 2015**.

Students who wish to stay at the pool after sport are required to have a **signed note from home** stating that they can remain at the pool for that specific day. Students will need to exit the pool with staff at the end of the school day and then pay to re-enter into the pool as a community member.

Please contact the school if you have any questions.

Thanking you

Diarna Kalmanidis
